EFFECTIVE JULY 1, 2016

Recycling for Oakland businesses and multi-family properties has been required since July 1, 2012. Effective July 1, 2016, multi-family properties with 5 or more units as well as businesses that generate food waste, such as restaurants and grocery stores, must also sort COMPOSTABLES from their trash.

Learn the rules at RecyclingRulesAC.org or call: 510-891-6575
