EFFECTIVE JULY 1, 2017

Recycling for Fremont businesses and multi-family properties is already required. Effective July 1, 2017, multi-family properties with 5 or more units and businesses that generate significant quantities of food waste, such as restaurants and grocery stores, must also sort ORGANICS from their trash.

Learn the rules at RecyclingRulesAC.org or call: 510-891-6575

To subscribe to recycling or composting (organics) service, call Republic Services: (510) 657-3500
