

Free Indoor Food Scrap Bin Project APPROVED PRODUCTS LIST 2021-22

Alameda County Waste Management Authority (ACWMA) has partnered with Cole Supply and Starline Supply Company to offer a variety of container and lid options at competitive pricing. Please carefully review the equipment offered by each vendor then **select ONE vendor** that will best meet your needs. Place your order directly with your selected vendor, telling them you are an “Approved Alameda County Business for Free Green Bins.” ACWMA will cover the actual costs incurred, up to \$500 including equipment, sales tax, and shipping. If you choose to purchase equipment not on the Approved Products List (such as recycling containers) you may do so at your own expense. You will also be responsible for all costs incurred in excess of \$500.
