AND MULTI-FAMILY BUILDINGS
IS NOW THE LAW.**

DO NOT MERGE

SEPARATE YOUR TRASH

Recycling for businesses and multi-family buildings is now the law. The law applies to the following Alameda County businesses and multi-family complexes:

BUSINESSES

with 4 or more cubic yards of waste per week

MULTI-FAMILY

buildings with 5 or more units

To be in compliance, those affected by the law must make arrangements for adequate recycling service beginning July 1, 2012. Alameda County Waste Management Authority Ordinance 2012-01 builds on the new California State law, AB341.
