

# Mandatory Weekly Garbage & Recycling Service

All commercial establishments in the City of Union City are required to have weekly garbage and recycling\* collection service provided by **Republic Services** and/or **Tri-CED Community Recycling**, the City's exclusive franchise haulers, regardless of quantity or volume.

*“Solid waste shall be collected from premises and disposed of at least once each week by the City's solid waste franchisee,” and “All recyclable materials placed for collection shall be collected from the premises at least once each week by the recycling franchisee(s). **Each day's violation of this section shall be treated and considered as a separate and distinct offense.**”*  
- Union City Municipal Code Sect. 7.04.040

Mandatory weekly garbage and recycling helps the City provide you with dependable and professional collection services, it discourages illegal dumping activity and benefits everyone by making Union City a desirable place to conduct business. Contact Republic to start service, schedule a container exchange, discuss billing options & more.

### Container Sizes

To meet your disposal, recycling and composting needs, Republic Services and Tri-CED Community Recycling offer a wide variety of container types, sizes and service frequency options. A complete list of commercial rates is available at [www.unioncity.org](http://www.unioncity.org) or by contacting Republic Services.

Republic Services provides 35-, 64-, or 96-gallon blue carts for garbage and other non-recyclables.

### Trash Service

Trash dumpster sizes range from one to eight cubic yards. Depending on the needs of your business, it can be serviced up to six days a week.

Recycling rates are discounted 50% compared to rates for trash service. For smaller business, 64-gallon or a 96-gallon recycling carts may do the job.

### Recycling Service

All-In-One recycling allows a business to put cans, bottles, paper, cardboard and other recyclables in the same dumpster, which come in sizes from one to eight cubic yards.

Participate in our popular Food Scrap Recycling for Business Program. Ideal for restaurants and other generators of food scraps and other organic material.

### Organics\*\* Service

Nearly 100 restaurants and other businesses are now a part of our organics program and taking advantage of rates 40% less compared to garbage collection rates.

\*\*Voluntary program

**For large generators:** Compactor or large drop box service is also available; however, all solid waste containers must be serviced by Republic on a weekly basis.

\* Some exceptions may apply.
